Thought I'd finished my hard times
Thought I'd seen the end
Then I met your heart
Now, everything just deepens

You've seen my face, full of hard-living
It's all from taking, babe, and not from giving
Away yea, yea-e-ah, A-way yea yea
Away yea, yea-e-ah, A-way uh huh, o-o-oh

Thought I've had some real blues
til I ran into the likes of you
I can't help the crush
Oh baby it hurts so much to know
That as soon as it starts its through

I feel the pull of your beating heart
Comin' in closer; and I'll know when to start pulling
Away yea; ye-e-ah, A-way yea yea
Away yea; ye-e-ah, o yea yea yea
yee-e-e-ah aahhhh right nah-ow

[Solo]

We've been waiting for answers
But it's never the right time
To love too much
Has turned into a crime
It's too damn easy
To just move on
Maybe you'll make it somehow
Maybe you'll be strong
Someday
Someday
Someday
Someday
Someday
Someday
Someday
Someday
Someday

Keep your distance

Keep your distance
Keep your distance
Keep your distance
