Just because it's not accepted
doesn't mean it ain't alright
Just another frozen kid
who's tryin' to make it through tonight

Ordinary pins and notebooks
ain't no ordinary life
All the freaked out measures I took
tryin' to make you sick of smilin'

Ordinary don't mean nothing
Nohow, look what's ordinary now
It's got a magic marker stain on it's face
and it needs a shower

There's something sweet waitin' in the center
Taste and see
There's something sweet waitin' in the center
Don't nobody look at me
Don't nobody look at me

Ordinary dont' mean nothing
Nohow, look what's ordinary now
It's got a magic marker stain on it's face
and it needs a shower

How many licks does it take to get?
Taste and see
How many licks does it take to get
to the center where there's something sweet?
to the center where there's something sweet?

Ordinary don't mean nothing
Nohow, look what's ordinary now
Ordinary don't mean nothing
Nohow, look what's ordinary now
Ordinary don't mean nothing
Nohow, look what's ordinary now
Ordinary don't mean nothing
Nohow, look what's ordinary now
Ordinary don't mean nothing
Nohow, look what's ordinary now
Look what's ordinary now
Look at ordinary now
