First Verse~

(ahhh)

You've been with me through changes
Like no other girl has done
You took all the chances
Knowing all the time that you were not the only one
But I want you to understand baby
That no matter where I go, what I do, who I see,
That you're the only one for me
And I love you baby,.everyday! (ohhh)

(chorus)

Baby, I'm crazy bout cha (I'm so crazy about you)
And I can't go a day without cha
Baby, I'm crazy bout cha (I'm so crazy about you)
And I don't want to live without cha (yea yea yeaaa)

Second Verse~

(Ahh)

You gave me all I wanted baby, yea
And I didn't even have to ask
Then you stuck with me every step of the way
Even when things got bad (got so bad), so bad (got so
bad baby)
And I want you to understand baby
That no matter where I go, what I do, who I see,
That you're the only one for me

And I love you baby,.everyday!

(chorus)

Baby, I'm crazy bout cha (I'm so crazy about you)
And I can't go a day without cha (a day without you)
Baby, I'm crazy bout cha (I'm so crazy about you)
And I can't go a day without cha (a day without you)

baby)
Baby, I'm crazy bout cha (I'm so crazy about you)
And I can't go a day without cha (a day without you)
