I think I'm gonna freak out
Throw out my Sanity
Blame it on my lack of education
Forced sobriety
Gonna whip it out my double barrel and play
Russian roulette with one
When I win, I'm gonna pull my skin off
And give it to someone
yeah!

Beautiful (it's so beautiful) Disease

Ugly is so beautiful when you hit it with a stick
Political correctness it's a sham,
It makes me sick
Sometimes I gotta ask myself why a kick in
the head feels good
The more they try to beat me down,
The more I think it's understood that

Beautiful (it's so beautiful) Disease

I know I'm sick again
Who's gonna be my friend
When I freak out

Opinions are like assholes
And you smell like an open sewer
I've lost my mind, 30 times,
'Cause of bullshit pulled on tour
So there, take it!
It's my war, and I want it, right now
Now!

Beautiful (it's so beautiful) Disease

I think I'm going crazy
Beautiful Disease
I know, I know, I know I've lost my mind

There we go once again
It's time to take my librium
Spiders crawlin' up the walls

Will you catch me if I fall?

Round and round and round he goes
Where he stops, nobody knows
