What did I do today?
Some people think I went and threw it away
But that was yesterday
I can't remember much of that anyway

I wonder who's to blame?
Or does it really matter much anyway
Or if we stayed the same?
If anyone of us would be here today ... yeah

I don't care about it anymore, so tired
of thinking it through
I don't care about it anymore, who's to
blame me or you?

I had so much fun, was going to live so fast
and die very young
But I was 21, i'm so glad i'm here to sing this song ...
yeah

I wonder who's to blame?
Or does it really matter much anyway?
Or if we stayed the same?
If anyone of us would be here today ... yeah
I don't care about it anymore, so tired of
thinking it through

I don't care about it anymore, who's to
blame me or you?
I don't care about it anymore. So tired of
thinking it through
I don't care about it anymore, who's to
blame me or you?
