I saw her standing there  
With the light shining brightly in her hair  
And her sweater was tight and  
I could see she had boobies up under there  
Then I was introdo-o-o-oced  
All I could say was "Ahu-hu-hu-hu"  
Then I turned and I run all the way home  
And texted Savannah

I can bench press 600 pounds  
And still I'm so shy  
I have trouble talking to chicko's  
But I don't know why  
I got her number, I won't lose it  
And I got her permission to use it  
Then I sweated and sweated and  
Picked up the hummer boat phone

I did it, I did it  
Ahu-hu-hu-hu  
I did it, I did it  
Ahu-hu-hu-hu  
I did it, I did it  
I called her up on the phone  
I did it, I did it  
Ahu-hu-hu-hu  
I did it, I did it  
Ahu-hu-hu-hu  
I did it, I did, it  
I'll never again be alone

We talked for an hour about hummers  
Slow burning trees  
I really liked her and  
I think that she really liked me  
My heart was beginning to float  
She said she would ride on my boat  
I got so exited I just had to call  
My friend, Dirty Jim

Hey Jimmy, I did it, I did it  
Ahu-hu-hu-hu

I did it, I did it  
Ahu-hu-hu-hu  
I did it, I did it  
I really talked to a girl  
I did it, I did it  
Ahu-hu-hu-hu  
I did it, I did it  
Ahu-hu-hu-hu  
At work place is the best place  
To meet the best girls in the world
