I've got think of something better
Of a stunt, the best one ever
Or I'll be off, off of the show
I don't know where, where I'll go

I tried to win but here I sit
Now I just feel, like I want to quit
I'm so sad, so sad, I'd cry
Russ sent me out and the world to die

I'm so lonely
I'm so lonely
I'm the loneliest bear
In the world

Gave a week, it's not enough
I tried to smile but it's just too tough
It's getting close, the storm is near
And I am crying a big bear tear
I got the tag, I won it fair
But Russ is mad and I just don't care
My best friend, Sav, my only friend
My time on the show is about to end

Russ Rollins is a meanie
Russ Rollins is a meanie
He don't care that I'm sad
He doesn't care about my dad

I'm so lonely
I'm so lonely
I'm the loneliest bear
In the world
