"Come Home"

Lord hear my prayers
I'll be waiting here
I'll be waiting here
When you come home

Give me faith
Give me strength
I know I can
I know I can

Lord give me strength
I'll be waiting here
I'll be waiting here
When you come home

I am going crazy,
Over somebody else's baby

I am going crazy,
Over somebody else's baby

I know I
Can make it through

I believe in you
I believe in you
I believe in you

I am going crazy,
Over somebody else's baby

I am going crazy,
Over somebody else's baby

I'm begining to hear voices (6x)
