You need a friend someone to say
Get your act together
And in between they'll have to stay
Around to kiss it better

Uh huh
Uh huh
Uh huh
Uh huh

Everybody's sad (everybody's sad)
Wipe away a tear
And I'm making it all
Crystal clear

Oh say it's true yeah I need to
Believe in what I'm seeing
I want to scream you know what I mean

I'll show you how I'm feeling

Uh huh
Uh huh
Uh huh
Uh huh

Everybody's sad (everybody's sad)
Wipe away a tear (wipe away a tear)
And I'm making it all
Crystal clear

Uh huh

Uh huh
Uh huh
Uh huh

Everybody's sad (everybody's sad)
Wipe away a tear (wipe away a tear)
And I'm making it all
Crystal clear

You need a friend someone to pray
Take away the pressure
And in the end they'll have to stay
Around to make it better

Uh huh
Uh huh
Uh huh
Uh huh

Everybody's sad (everybody's sad)
Wipe away a tear (wipe away a tear)
And I'm making it all
Crystal clear

Everybody's sad (everybody's sad)
I gotta get out of here (gotta get out of here)
And I'm making it all
Crystal clear
