Yeah this one right here goes out to all the baby's
mamas, mamas...
Mamas, mamas, baby mamas, mamas
Yeah, go like this

It's a love thang, it's got to be
Your hearts all locked and i got the key
It feels like i just won the lottery
Cuz i got my girl and she got me

Number one, I take two number three's
That's a whole lot of you and a side of me.
Now is it full of myself to want you full of me?
And if there's room for dessert then I want a piece
Baby get my order right, no errors
Imma touch you in all the right areas
I could feed you, you could feed me
Girl, deliver that to me, come see me
Cause it's me, you

Doin a buck in the latest drop
I got stopped by a lady cop
Ha Ha... she got me thinking I can date a cop
Ha Ha... cause her uniform pants are so tight
She read me my rights
She put me in her car, she cut off all the lights
She said I had the right to remain silent
Now I got her hollering sounding like a siren
Talkin' bout...

You're way too beautiful girls

You're so beautiful

I can make your bed-
I can make your bed rock
I can make your bed rock girl

Say something baby
Say something baby
Say something
Say something

I make her say-
Nananana everyday it's like my ipod stuck on replay

I Make her say-
Wee Ooh Wee Ooh Wee (Wee),
Wee Ooh Wee Ooh Wee (Wee),
Wee Ooh Wee Ooh Wee,
(Like a cop car)

Cause it's me, you
Me, you, and the dancefloor

I like the bartender
(Ooh, if you're lookin' for me)
I'm at the bar with her
(Ooh, uh huh, okay)
OKAY!

Baby, you're lookin' fire hot
I'll have you open all night like an IHOP
I take you home baby let you keep me company
You gimme some of you, I give you some of me
You look good, baby must taste heavenly
I'm pretty sure that you got your own recipe
So pick it up, pick it up, yeah I like you
I just can't get enough I got to drive through
Cause it's me, you

Tell me now can you make past your caspers
So we could finally fly off into NASA
(you, me)
You was always the cheerleader of my dreams
to seem to only date the head of football teams,
(me, you)
and i was the class clown that always kept you laughing
we were never meant to be, baby we just happened
(you, me)
so please don't mess up the trick,
hey young world, i'm the new slick rick, '

You're way too beautiful girls

You're so beautiful

I can make your bed-
I can make your bed rock
I can make your bed rock girl

Say something baby
Say something baby

Say something

Take my order cause your body like a
carry out
Let me walk into your body till it's
lights out
Turn me on, my baby dont you
cut me out
Turn me on, my baby dont you
cut me out

King meets queen, then the puppy love thing, together
dream
Bout that crib with the goodyear swing
On the oak tree, I hope we feel like this forever
Forever, forever, ever, forever, ever?

You're way too beautiful girls

You're so beautiful

I can make your bed-
I can make your bed rock
I can make your bed rock girl

Say something baby
Say something baby

What's your name?
What's your number?
I'm glad I came
Can you take my order?

What's your name?
Girl, what's your number?
I'm glad I came
Can you take my order?
