1 month on Â– Deneva Rockingstar
(Acoustic spoken/whispered Â– from outside
friend/observer/narrator)

I cannot help but think
The thought that just-wonÂ’t-sink
That now she looks back on it
A thought to never shrink

Because oh what that girl did
The matter that she made
That quick and careless decision
To put the only one who really cared
Directly on his way

So look back on it sweetheart
Now theyÂ’re laughing in every way
Â’Cause girl you got that single time yeah
Yeah you got all - of Â– that Â– space.
So look back on it sweetheart
Now theyÂ’re laughing in your face
Â’Cause girl you got that single time yeah
But now an eternity of space.

Was it everything you wanted to find?
So tell us all
Single blow your mind?
Cause girl we ainÂ’t being soft right now
But you two both did shine

YouÂ’re better than this darlinÂ’
DonÂ’t get replaced, let him get shared
And remember the correct advice youÂ’re given
Comes from the ones that really care

You listened to the ones
Who have never had enough
The ones that donÂ’t put you first
Those that never felt love.

Yeah soon youÂ’ll know, you know
You can laugh at this song right now yeah we bet

But a few months on when the nights are alone
Baby - You really will regret

So have a fun trip on another planet
But as soon as you get back you'll know
How stupid you were
To give him away
Girl. They told you so.
