

## Deep Green Sunset "Breathe"

IÂ've Lost My Head  
On A Trip Yesterday  
It Hurts So Bad  
No Words Can Say  
I Turn On Fire  
And The Smoke IÂ'm Breathing In  
Makes Me Feel Higher  
ThatÂ's When I Start To Think

Let Me Breathe  
Let Me Breathe Again And Again  
Breathe  
This Has To Be The End Of  
Paranoia

IÂ've Lost My Soul  
ItÂ's Just Faded Away  
IÂ've Lost Control  
Nobody Can Explain  
I Turn Off The Lights  
And The Sweat On My Skin  
Makes Me Close My Eyes  
ThatÂ's When I Start To Think

Let Me Breathe  
Let Me Breathe Again And Again  
Breathe  
This Has To Be The End Of  
Paranoia

I Wanna Get Back My Fucking Soul  
I Wanna Get Back My Fucking Home  
I Wanna Get Back My Head Again  
I Wanna Get Back My Breath

Let Me Breathe  
Let Me Breathe Again And Again  
Breathe  
This Has To Be The End Of  
Paranoia
