Look what we've done  
with little or none.  
Dreams are a bet,  
hard work and luck.  
Where losers can win,  
while winners strike out.  
It's part of the game  
we play each day.

So much for love  
that pays from above.  
It starts with a look;  
then it walks, then it runs.  
Next comes the talks,  
the needs and the wants.  
So much for love.

Life doesn't ask  
your name, your age.  
You're here by chance  
of failure or fame?  
The mirror doesn't lie,  
for the truth is inside.  
The soul sings the songs  
with the lows and the highs.

So much for love  
that doesn't give up.  
You do not complain  
when there's nothing to say.  
Here by your side  
when others went away.  
So much for love.

If you have nothing  
you still have a lot.  
Outside is a world  
that gives so much.  
You are the one  
to get the job done.  
You can smell it in the air,  
on your way to get there.

So much for love  
when life won't work out.  
Yet, here you still are  
alive and with pride.  
We can see it on your face,  
your style and your grace.  
So much for love.
