Oh ah  
Oh ah  
Oh ah  
Oh ah  
Oh ah-ah  
Oh ah-ah

Oh ah  
Oh ah  
Oh ah  
Oh ah  
Oh ah-ah  
Oh ah-ah

When your love sang baby  
Since you said it's over  
I been going out my mind  
Ain't been nothing close to sober

And could you please help me  
Get off this roller coaster  
The weight of the world on my shoulder  
And I'm tryna keep my composure (oh)

Just let me have my pity party  
Don't console me til' it's over  
It's like I'm hanging by a thread  
The slightest wind can knock me over

So don't wait for me  
Better yet, just come on closer  
Misery loves company  
So I guess she's my lover (oh)

Ain't no medication  
Can take away that kind of pain  
The sick  
Ness  
Wouldn't go away, go away

Ohh  
You are my miracle...

Girl

Ohh

You are my miracle...

Girl

Stuck in the middle of despair

Without a destination

1-800 please help

Any advice or information?

Will come in handy right now

Cause my skies are filled with clouds

This is as good as it gets

I'm being such a pass or miss

Just let me have my pity party

Don't console me til' it's over

It's like I'm hanging by a thread

The slightest wind can knock me over

So don't wait for me

Better yet, just come on closer

Misery loves company

So I guess she's my lover

Ain't no medication

Can take away that kind of pain

The sick

Ness

Wouldn't go away, go away

Ohh

You are my miracle...

Girl

Ohh

You are my miracle...

Girl

I feel the rain falling down

It's getting hard to breathe

This is something I can't stand

And so I'm falling to my knees

And ask you baby, baby please

Come and rescue me

Because you know there ain't no doctor

In the world that can help me oh ah

Ain't no medication

Can take away that kind of pain  
The sick  
Ness  
Wouldn't go away, go away

Ohh  
You are my miracle...  
Girl

Ohh  
You are my miracle...  
Girl

Ain't no medication  
Can take away that kind of pain  
The sick  
Ness  
Wouldn't go away, go away

Ohh  
You are my miracle...  
Girl

Ohh  
You are my miracle...  
Girl
