Chorus(2x):

I see they looking at (me)
They like how I (dress)
They like how I (ride)
They see what's on my (neck)
Aww Yeah
Aye Aye Aye Aye Aye

1st Verse:

I step up in the club
Fresher than a mother
Never been a lame
So don't compare with them others
Gucci this, Gucci that,
Gucci on my loafers
I'm about to grab a stack
And make it rain on those ???
I just hit a lick
So today can't get no better
That goose got me twisted
Like a propeller
I think I see stars
Like a helmet of a stiller
Naw I ain't mike
But I'm still a real thriller
My team major league
They all heavy hitters
I see your girl looking
You can keep that gold digger
Never worked that nine to five
But why my stacks is bigger
The whole hood know me
But I'm not a drug dealer
You used to be the shit
Now I'm on a higher lever
Get it all myself
The easy way is never better
Bitching on me the
Other shit don't really matter
And they love a nigga
Cause they all love my swagger.

Chorus(2x):

I see they looking at (me)
They like how I (dress)
They like how I (ride)
They see what's on my (neck)
Aww Yeah
Aye Aye Aye Aye Aye

2nd Verse:

They love how I ride
They love how I whip it
Rims sit high
The skies is the limit
Collagen lights
Got em like who is it
Speeding down the freeway
And the engine is a hemi
Jocking on these hoes
Like my first names remi
Chilling in Miami
And that fresh linen
Feeling soo good
This the life we living
Feeling soo hood
Cali what the business
I got stacks on decks
But I don't think you feel me
Bamming down your block
Now I know you feel me
Stunting is a habit
Stop it and you'll kill me
Today I'm going hard
Till I stack about a million
Never gave a f**k
About a nigga who be grilling
Why I'm setted best
Cause I know haters in the building
Listen to the Langdon
You know I don't see em
But you looking at me hard
Baby seeing is believing

Chorus(2x):

I see they looking at (me)
They like how I (dress)
They like how I (ride)
They see what's on my (neck)
Aww Yeah
Aye Aye Aye Aye Aye

Chorus(2x):

I see they looking at (me)
They like how I (dress)
They like how I (ride)
They see what's on my (neck)
Aww Yeah
Aye Aye Aye Aye Aye

Talking:
This your boy dukwon
From the ground up we here
Haha
Aye this that joint when
You in Miami
You on ocean drive
