[Puffy]

I like this right here, yeah  
Bad Boy, and we won't stop  
Faith, '99

[Faith]

1 - We can dance, dance, dance  
Clap your hands, hands, hands  
All night, if you're in the mood  
Do what you wanna do  
All night long

Happy days are here  
So leave your cares behind  
Just relax your mind  
It's so easy to do it

Just enjoy yourself  
If the feeling's right  
Get your groove on tonight  
Take your time tonight  
Everything's all right  
Ain't nothing but a party

Repeat 1

Get up on the floor  
Don't worry 'bout a thing  
The rhythm's got you now  
So come on, get into it

Just enjoy yourself  
If the feeling's right  
Get your groove on tonight  
Take your time tonight  
Everything's all right  
Ain't nothing but a party

Repeat 1

Have a good time

Lay back, relax  
Just free your mind  
Let the music take control of you

[Puffy]  
Yeah, yeah, yeah, yeah, yeah  
If it's a hot then I must've did it  
If it's not then I wasn't with it  
Bad Boy stay committed

Whether hip-hop or R&B  
Featuring Faith Evans, co-starring me, P. Diddy  
You know I got the key to your city  
Unlock the door, rock some more  
Beats we lace  
Bad Boy heat the place  
We run R&B too cuz we keep the faith  
Givin the streets a taste  
Blaze the charts

[Faith]  
I remember

[Puffy]  
In case you forgot  
First Lady B making it hot  
Ain't nobody taking the spot  
Now it's Faith instead of pain  
Coming through with a better grain  
In the dash, cell phone better range  
Get the cash, and stock paper for the whole four  
quarters  
Damn, some things never change  
Can ya feel me? Ya feel me? Let's make 'em dance  
Let's go

Repeat 1

Have a good time  
Lay back, relax  
Just free your mind  
Let the music take control of you

Repeat 1 until fade
