Well I be movin' on down the track
Means true love baby ain't comin' back
I'm a-movin' on, I'll soon be gone
You will find enough on me alone sky
I'm a-movin' on, ah

Well, people that whistle is blue & blue
Said hello Alabama, I'm comin' to you
I'm a-movin' on, I'll soon be gone
You will find enough on me alone sky
I'm a-movin' on, ah, ah, ah

(instrumental)

Well I want you baby, 'cause time has come
But just won't listen, no baby, no not
I'm a-movin' on, I'll soon be gone
You will find enough on me alone sky
I'm a-movin' on, ah, ah, ah

(repeat title & fade)
