Send me the pillow that you dream on
Don't you know that I still care for you
Send me the pillow that you dream on
So darling I can dream on it too

Each night while I'm sleeping oh so lonely
I'll share your love in dreams that once were true
Send me the pillow that you dream on
So darling I can dream on it too

I've waited so long for you to write me
But memory all that's left of you
Send me the pillow that you dream on
So darling I can dream on it too
So darling I can dream on it too
