Silver threads and golden needles  
Will not tie your heart to mine  
And I'll never drown my sorrow  
In the warm glow of the wine  
I won't buy you love with money  
For I never was that kind  
Silver threads and golden needles  
Cannot tie your heart to mine

I don't want this lonely mansion  
With a tear in every room  
I just want the love you promised  
Beneath the hallowed moon  
But you thought you could be happy  
With my money and my name  
And pretend I wouldn't notice  
While you played your cheatin' game

Silver threads and golden needles  
Will not tie your heart to mine  
And I'll never drown my sorrow  
In the warm glow of the wine  
I won't buy your love with money  
For I never was that kind  
Silver threads and golden needles  
Cannot tie your to mine

Silver threads and golden needles  
Will not tie your heart to mine  
And I'll never drown my sorrow  
In the warm glow of the wine  
I won't buy your love with money  
For I never was that kind  
Silver threads and golden needles  
Cannot tie your heart to mine
