We hold hands in the movie show  
So they say that we're old fashioned  
Or we stroll beneath the silvery moon  
And we carve our initials in the old oak tree  
That's old fashioned, that's the way love should be

We enjoy sitting side by side  
In the booth in the ice-cream parlour  
Where we play the nickelodeon  
And we dance when we hear our favourite melody  
That's old fashioned, that's the way love should be

It's a modern changing world  
Everything is moving fast  
But when it comes to love I like  
What they did in the past

I'm the kind who loves only one  
So the boys say I'm old fashioned  
Let them laugh, honey I don't mind  
I've made plans for a wedding day for you and me  
That's old fashioned, that's the way love should be
