Everly Brothers, Chet Atkins & Mark Knopfler

Baby, I see this world has made you sad
Some people can be bad
Things they do and things they say

But baby, Iâ€™ll wipe away those bitter tears
Iâ€™ll chase away those restless fears
That turn the blue skies into grey

Why worry, there should be laughter after pain
There should be sunshine after rain
These things have always been the same
So why worry now, why worry now

Baby, when I get down I turn to you
And you make sense of what I do
No, it isnâ€™t hard to say

But baby, just when this world seems mean and cold
Our love comes shining red and gold
And all the rest is by the way

Why worry, there should be laughter after pain
There should be sunshine after rain
These things have always been the same
So why worry now, why worry now
Why worry now
