How can I just let you walk away?
Just let you leave without a trace
When I stand here taking every breath with you, you
You're the only one who really knew me all

How can you just walk away from me?
When all I can do is watch you leave
Girl we shared the laughter and the pain
We even shared the tears
You're the only one who really knew me all

Take a look at me now
There is just an empty space
There's nothing left here to remind me
Just a memory of your face
Take a look at me now
There is just an empty space
And your coming back to me is against the odds
That's a chance I've gotta take

I wish, I could just make you turn around
Turn around and see me cry
There's so much I need to say to you
So many reasons why
You're the only one who really knew me at all

Take a look at me now
There is just an empty space
And there's nothing left here to remind me
Just a memory of your face
Take a look at me now
There is just an empty space
And girl just to wait for you, is all I can do
And that's what I've gotta face

Take a look at me now
'Cuz I'll still be standing here
You're coming back to me is against the odds
That's a chance I've gotta take
Take a look at me now, ohh, woo is against all odds
(Back to me)
That's a chance I've gotta take

Look at me now, now, now, now, now
So sad, bad, bad, sad, sad
Look at me now, now, now, no, no
Sad, sad, sad, sad, sad
Look at me now, now, now, now, now
Oh no, no, no, no
Look at me now, now, now, oh oh
