Are we crushin' tonight?
From the bed to the floor
Ooh, I know what you like

You got that feeling
By the look on your face
You touch and tease me
Now I'm ready to play

My hands run up and down
Your thighs and your waist
You whisper
Let's go back to my place

You know that you are turning me on
When you act this way
There's so many ways to make love
I am asking you baby

Are we crushin' tonight?
From the bed to the floor
Ooh, I know what you like

Are we crushin' tonight?
From the bed to the floor
Ooh, I know what you like
Crushin' tonight baby

Ain't nothing wrong
With being freaky with me
We just be crushing, living fantasies
Crushin' tonight baby

You on top of me, me on top of you
Hitting them switches in every room
Crushing all night through

You know that you are turning me on
When you act this way, yeah
There's so many ways to make love
So I am asking you baby

Are we crushin' tonight?
From the bed to the floor
Ooh, I know what you like

Are we crushin' tonight?
From the bed to the floor
Ooh, I know what you like

When I get you home
It's gonna be some back breaking
Love making, wall shaking
Working your body, so smooth, so soft
We gonna ride till the wheels fall off

It's gonna be some back breaking
Love making, wall shaking
Working your body, so smooth, so soft
We gonna ride till the wheels fall off

Are we crushin' tonight?
From the bed to the floor
Ooh, I know what you like

Are we crushin' tonight?
From the bed to the floor
Ooh, I know what you like

Are we crushin' tonight?
From the bed to the floor
Ooh, I know what you like
