You can call me crazy
Looks like you're tryin' to play me
But this here ain't gravy, lady
I knew about your game from day one
Don't sit there tryin' to play dumb
It's time for me to say somethin'
It's a quarter after 8 hon
And in a minute you'll be out front
Waitin' for a cab with your bags
Here's a quarter, you can call your dad

1 - Girl don't think I'm a fool
I know how you do
Guess you thought I was sprung
Girl don't think I'm so dumb
People told me 'bout you
And you think I never knew
In the end, I'll show you
Girl don't think I'm a fool

Look, ain't no use in cryin'
Your story I ain't buyin'
Forget about it, ain't no use in tryin'
My niggas they saw you with your heels up
That's when I had to wake up (wake up)
Somebody had to break up (break up)
Cuz you's a girl I can't trust
Yeah it hurt but I find someone better fo' sho'
And she'll probably be lovin' me more
So hit the door

Repeat 1
Repeat 1
