.....

oh ye
time to come back home ya'll
com'on com'on com'on

forgot im a slave
To get to heaven ever since ive got to be saved
to behave, ohh im stuck in my ways
give away, thats a disgrace, what i feel inside my fless
every breath is different and a blow is way into my
death
I feel blessed
Coz everyday im seeing the world
I feel blessed
I don't want to do no more work
I feel blessed
Coz the path that I knew was wrong
I feel blessed
Its time to come home

[Beyonce]
It doesn't matter where you been
Or what you did wrong

It doesn't matter who you are
You're always welcome

[Angie Stone]
It only matters that your heart believes
And you confess

[Beyonce]
If you committed any sin you'll be forgiven

[Chores]

Callin on all of God's children
Time to come home
If you wanna be delivered
Time to come home
I've been rescued by the savior
Time to come home
If you wanna be in His favor
Time to come home

[Beyonce]
Come on home
Come on come on home
ooh yeah yeah
come on home

[Melba Moore]
If you cant see your way out

[Angie Stone]
And you're drowning in your regrets

[Beyonce]
If you have everything you want

[Melba Moore]
But you still cant find happiness

[Beyonce]
Cuz when you feel like you're forsaken

[
Life can be so hopeless

Maybe you need to come home

[Beyonce]
So your life can be planned

Oooh

[Chores]
God's children
Time to come home
If you wanna be delivered
Time to come home
I've been rescued by the savior
Time to come home
If you wanna be
you need to be
Time to come home

Don't bare the burden all by yourself
(By yourself)
The Redeemer's here He's gonna give you help
(Give you help)
Come unto him and he will give you rest
For any heart that's heavy laden for salvation
ooh

[Chores]
Calling all God's children
Time to come home
If you wanna be delivered
Time to come home
I've been rescued by the savior
Time to come home
If you wanna be in his favor
Time to come home

My home
Your home
In his everlasting arms
My home
Your home
In his everlasting arms
Don't you know its time to come home
Time to come home
Deliver me
I've been rescued by the savior
Dont you wanna be in his favor
Yeah
My home
Your home
In His everlasting arms
My home
Your home
In His everlasting arms
If you wanna be in his favor
My home
Your home
In His everlasting arms
My home
Your home
In His everlasting arms

Time to come home
