Falling for you  
And I just can't help myself  
Baby I'm falling  
Falling for you  
And I just can't help myself  
Baby I'm falling

Thirty days since our first kiss  
Sit alone reminisce  
What you said last night  
Just took me by surprise

How you said you're not gonna cry no more  
You're waiting to exhale  
Having feelings that you're falling  
Woman I've already fell

Falling for you  
And I just can't help myself  
Baby I'm falling  
(Oh I)  
Falling for you  
(Oh, I'm falling)  
And I just can't help myself  
Baby I'm falling

Contemplating what to do  
Falling faster over you  
But my heart and pride  
Are out there on the line

I dial your number on the phone  
A steady ringing your not home  
If you're listening to this message  
Girl I'm calling 'cos I'm falling for you

Falling for you  
And I just can't help myself  
Baby I'm falling  
(Can't believe I'm falling)  
Falling for you  
(Do you feel the same way too)

And I just can't help myself  
Baby I'm falling

Falling for you  
And I just can't help myself  
Baby I'm falling for you  
Falling for you  
And I just can't help myself  
Baby I'm falling for you

Falling for you  
(Yes I am, yes I am)  
And I just can't help myself  
(Can't help myself)  
Baby I'm falling

Falling for you  
And I just can't help myself  
(Falling baby)  
Baby I'm falling  
(Falling baby)

I can't help myself  
Seems I keep on falling  
(And I just can't help myself)  
No, no I just can't help myself  
Seems I keep on falling

No just can't help myself  
Seems like I keep on falling  
Yeah, help me  
(And I just can't help myself)  
(Baby I'm falling)  
Won't you help me sugar

Falling for you  
(So [Incomprehensible])  
And I just can't help myself  
Baby I'm falling  
Falling for you  
And I just can't help myself  
Baby I'm falling  
I'm falling
