1 - Never alone

Use your heart as a telephone

Never alone

You know Montell won't do you wrong

I asked your woman why she's crying

She told me she was lonely

She thought you were the perfect guy

But you could never love her only

Don't get me wrong, I'm not the one

Breaking up a happy home

It's the loney man who understands

She don't wanna be alone

Repeat 1

So I ask her if you treat her right

She don't deny that your love is tight

But sometimes she only needs a friend

When she calls on me quarter after three

Holding pillows to the phone

It's her lonely heart that you're tearing apart

You don't even have a clue

2 - You don't have to be alone, baby

Anytime you cry, day or night

You'll never be alone

Use your heart as a telephone, baby

It's not too late, cuz this must die

Before you run to me

Repeat 1

Repeat 2

Repeat 1 while:

Whoa, world don't need

Another broken heart

If you leave her all alone

I'll do what I gotta do
And when we're together we'll be saying
Here's a toast to that fool

The woman's lonely
She's reaching out
(Pick up the phone baby, honey)
Needs to talk to
(Where are you, pick it up baby, baby)
Someone who's willing to listen
Is it you?
Will you be there?Montell Jordan Lyrics Index
