Uh
That's right (hmm, hmm-hmm)
Here's what I want you to do for me

Shake your money maker
C'mon, shake your money maker
Shake your money maker (hmm-hmm)

1 - You're so tasty
Cravin' you like crazy
Somethin' takes control of me
Got to have you holdin' me
Maybe we could take it there
Touch me baby, anywhere
Tell you what I wanna do
Tasty, I wanna get next to you

You're that kind of girl
That's makin' me lose my mind
You're hot like fire girl
I gots to have you all the time
Everybody is watchin' you
Tryin' to duplicate your style
Brothers spittin' game at you
Recruitin' for they passenger side

Repeat 1

You're the finest girl
Finer than I've ever seen
So shapely behind you girl
Like J. Lo in Vanity
Everybody around my way
Recognize that you're the bomb
Singin' like a Q-Tip song
Girl you gotta put me on

Repeat 1

Ooh, ooh, ooh

Shake your money maker
C'mon, shake your money maker (c'mon)
Shake your money maker (hmm-hmm)

The way you work it, work it, work it
When you walk, walk, walk
The more I want it, want it, want it
Baby it's all your fault, you're so

Repeat 1
