The big man's back in town  
To all you haters and all clowns  
All my women let's get down  
'Cause the big man's back in town

The big man's back in town  
To all you haters and all clowns  
All my women let's get down  
'Cause the big man's back in town

The big man's back  
Beats is so sick  
You waiting and debating  
Getting impatient

While singers so wood and  
Singers go plastic  
You put me on the shelf  
And I still make classic

Ah, the tell don't stop, tight leash on your girl  
'Cause she's eying my drop  
R and B scrub but I am still standing  
Praying for you cats having rocky landings

The big man's back in town  
To all you haters and all clowns  
All my women let's get down  
'Cause the big man's back in town

The big man's back in town  
To all you haters and all clowns  
All my women let's get down  
'Cause the big man's back in town

The big man's back in town  
To all you haters and all clowns  
All my women let's get down  
'Cause the big man's back in town

The big man's back in town  
To all you haters and all clowns

All my women let's get down  
'Cause the big man's back in town
