When I go left  
When I go right  
I just wanna get it on tonight  
I cant stop now my game is tight  
Nobody pull me down  
Unstoppable

(Everybody Come On)  
Go Flyin High  
(Put em up Put em up)  
So in Cramble  
(Break This and just bring it more)  
Cant reach the sky  
(Put yo hands up)

You will never win  
(Yo how you gon win)  
Lets Try  
(Put em up Put em up)  
Were Unstoppable  
(Everybody Come On)  
Cant reach the sky  
(Put yo hands up)

Gotta feeling the excitment in the air (air)  
William perifies a watchin me from everywhere  
Now that its my time to shine  
You realize it all is mine  
And Nothing can stop me  
Think its about that time

When I go left  
When I go right  
I just wanna get it on tonight  
I cant stop now my game is tight  
Nobody pull me down  
Unstoppable

(Everybody Come On)  
Go Flyin High  
(Put em up Put em up)

So in Cramble  
(Break This and just bring it more)  
Cant reach the sky  
(Put yo hands up)

You will never win  
(Yo how you gon win)  
Lets Try  
(Put em up Put em up)

(Everybody Come On)

(Put yo hands up)

Believe in me  
Reach Sky (Come On)  
Put yo hands up

Doin things I never dreamed I do before (yeah)  
Feel the energy you give me when Im on the floor  
I be the best that I can be  
You believe in you and me  
And Im gonna show you  
Together were a team

When I go left  
When I go right  
I just wanna get it on tonight  
I cant stop now my game is tight  
Nobody pull me down
