"We Ride On Dem Thangs"

[Rap verse]

Come on cuz don't playa hate cause I'm riding on dubs,
I'm big willie with this shit aint no f'n with us, I'm on the
strip, chillin with chicks feelin their hips, Got their man
pissy mad cause I'm freakin their chicks. I keep 'em on
lock the enterprise keeps me on top with these, Head
banging track keep you bobbin like that, I stick and I
move around the world with women I choose, And
every ride that I drive got a new pair of shoes, Who
gives a fuck if I'm musky if I wasn't a star the girls
would, Still rush me my life is too lovely and everyday
is the same, cause we ride on them thangs and you be
on teenage rims, playa hating on a playa cause I
bought me some tims now what's the problem needing
some dough needing some cheese your girl want her
done its all on me tre it up

[Verse 1]

Tell me that you like what you see girl
Cause I been watching you, watching me girl
Its time to hit the floor, move your feet girl
If you want to rock with me tonight

[Chorus]

Meet me, meet me at the spot
Girl we can make it hot
Cause baby we ride on dem thangs
Girl work it all night long
I'm still getting it on
Cause lady we ride on dem thangs

[Verse 2]

Ooh you turn me on, I can't stop now
You are the baddest one in here
Shorty hands down
I cant see no one else
Just want you for myself
So if you wanna ride with me tonight

[Chorus (2x)]

Bridget
Now we're standing here
It's just me and you
I can read your mind
Girl I'm freaky too
You can leave your girls
I can leave my crew
And we can ride, ride, ride

[Repeat chorus]
