If roses are ment to be red
and voilets to be blue
why isn't my heart
ment for you
my hands are longing to touch you but
i can bearly breath
Starry eyes that make me melt
right in front of me
Lost in this world
I even get lost in this song
And when the lights go down
that is vere I'll be found.
Your music's irresistible
Your voice makes my skin crawl
so innocent and pure
I've guess you heard it all beafore
mister innaccessible
will this ever change?
One thing that remains the same
You're still a picture in a frame
Lost in this world
I even get lost in this song
and when the lights go down
that is where I'll be found.
I'm lost in this world
I get lost in your eyes
and when the lights go down
that is where I'll be found
Lost in this world
I even get lost in your eyes
and when the lights go down
am I the only one.
Lost in this world
I get lost in your eyes
and when the lights go down
that is where I'll be found
LOST
an when the lights go down
am I the only one?
Lost..
