I find myself with my feet off the path again
Seeking love from a place that will always end
Oh Jesus raise a wildfire in my heart
Feel the pull to wonder
I wonder everyday
I need Your love to lead me
Show me the way
We sing out, we seek Your face
Pour out Your grace
Everyday Your love is new
Everyday You make me new
We sing out, we sing Your praise
With healed hearts we say
Everyday Your love is new
Everyday You make me new
It's a fight that we're all gonna have to face
To live a life where we're nothing apart from grace
Oh Jesus make our will Your very own
We feel the pull of wonder
We wonder everyday
We need Your love to lead us
To show us thw way
We sing out, we seek Your face
Pour out Your grace
Everyday Your love is new
Everyday You make me new
We sing out, we sing Your praise
With healed hearts we say
Everyday Your love is new
Everyday You make me new
Forgive us forgive us
From where we have fallen
And fill us, fill us with Your presence
Renew a steadfast spirit Lord within us
We sing out, we sing Your praise
With healed hearts we say
Everyday Your love is new
Everyday You make me new
We sing out, we seek Your face
Pour out Your grace
Everyday Your love is new

Everyday You make me new
We sing out, we sing Your praise
With healed hearts we say
Everyday Your love is new
Everyday You make me new
We sing out, we seek Your face
Pour out Your grace
Everyday Your love is new
Everyday You make me new
