(Chorus)

What Make Her So Special You Keep On Lying To Me
What's Makes Her So Special You can't Cry To Me
What's Makes Her So Special You don't Rely On Me
You Were Once My Everything
What's Makes Her So Special You don't Return My Calls
What's Makes Her So Special You Turn Your Phone Off
You Were Once My Everything

(Verse 1)

Baby You don't Quite Know What You Did To Me We
Creeping Everynight Boy Is You Kidding Me You wasn't
There The Hold Me Thigh It Was Killing Now You Want
Me Back Now What You Checked Her Background
wasn't Quite What You Thought It Was I Betcha Thatcha
Thought You Was All In Love Had Me Thinking It Was All
My Thought But Karma Comes Back Quicker Then You
Thought

(Chorus)

What Make Her So Special You Keep On Lying To Me
What's Makes Her So Special You can't Cry To Me
What's Makes Her So Special You don't Rely On Me
You Were Once My Everything
What's Makes Her So Special You don't Return My Calls
What's Makes Her So Special You Turn Your Phone Off
You Were Once My Everything

(Verse 2)

I Tired My Best To Work It Out For Me And You But What
Am I To Do When Your Torn Between The Two I'm So
Confuse Who Will You Choose it's Me Or Her I Know
Your Lost For Words But Boy I Was Here First I Was
There For You Whenever You Needed Me But You
Mistreated Me Why Did You Just Leave Me Tell Me What
You See In Her That You don't See In Me Tell Me What
She Did For You That I can't Do Baby What About The

Child You Only Come When He's Asleep 4 Years 5
Month that's How Long We Was Together Thought That
We Would Make It Throught This Weather But I Was So
Wrong

(Chorus)

What Make Her So Special You Keep On Lying To Me
What's Makes Her So Special You can't Cry To Me
What's Makes Her So Special You don't Rely On Me
You Were Once My Everything
What's Makes Her So Special You don't Return My Calls
What's Makes Her So Special You Turn Your Phone Off
You Were Once My Everything

(Pooh Gutta Verse)

Same Situation that's Happening With Cuz Tryna Move
On Choose Lust Over Love I Was Locked Up He Was
Growing A Buzz And She Was That Ich So that's What It
Was Nodding At My Son Like This Is Us 4 Years In And
You Giving Up I'm Gone For A Years And You Giving It
Up But When I'm Hitting Her I Feel Fill As Fuck Who Love
Is Real Who Love Is Fake Let Me Tell You What Type Of
Love It Aint The Type Where I Let A Dude Take My Place
If You Love Me Baby don't Make Me Catch A Case Cuz
I'll Do What Ever You Know Prove Whatever Just To
Prove Ima Have You Forever My Heart My All My
Everything Tryna Move Your Thought My Everything So
On That Note Ima Do Anything Just To Give Your
Daughter My Everything 4 Carrots Is That All She Want
Cuz I'll Trade Her For A Trust Cuz that's All I Want The
Chance That I'm Not A Kid The Chance To Show Her I
Became A Man The Chance To Show Her I HAVe What
She Stand The Chance To Show Her I'm Aint Fucking
Playing

(Chorus)

What Make Her So Special You Keep On Lying To Me
What's Makes Her So Special You can't Cry To Me
What's Makes Her So Special You don't Rely On Me
You Were Once My Everything
What's Makes Her So Special You don't Return My Calls
What's Makes Her So Special You Turn Your Phone Off
You Were Once My Everything
