"Evidence is everywhere!"

[Ev] Huh, and that's me

[Chorus]

"Evidence is everywhere!"

And I'm here, and I'm here, and I'm here

"Evidence is everywhere!"

And I'm there, and I'm there, and I'm there

[Evidence]

September, October, gone 'til November

Through the winter Ev I make it rain

They tryin to pull me out my lane, but the ink been dry

Ain't no smear campaigns, you too late

Never say goodbye, just so long for now

Wait my time, then tell 'em, I'm "Back Again"

I ain't heard you on the radio my friends say

I'm from Cali - they only play the West on Wednesday

CRAZY~! I been mistreated

Get love from the chef, still can't get seeded

They measurin love, I'm ranked top-seeded

They measurin sales, I ain't broke even

I see 'em! Other cats, ain't work like I

And they say those who can't do tend to redo

And I try to keep my head above water and dread

Love the music, don't love this bread

[Chorus] - 2X

[scratching]
