It happens every time this time of year,  
So don't let yourself find yourself around here.  
If you do then you may never be found,  
Cause they all get freaky in this spooky town.

(Chorus)

It's Halloween they're after you.  
- Witches, ghosts, and zombies too!  
I saw a werewolf looking at you.  
-Whatcha gonna do?!  
It's Halloween they're after you.  
- Witches, ghosts, and zombies too!  
Don't try going out to spread the news.

Well I rolled into town this time last year,  
Oh I'm the kinda guy that ain't got no fear.  
Next thing I know we're hiding in some barn,  
Surrounded by freaks I'll admit I was alarmed.

(Chorus)

It's Halloween they're after you.  
- Witches, ghosts, and zombies too!

I saw a werewolf looking at you.  
-Whatcha gonna do?!  
It's Halloween they're after you.  
- Witches, ghosts, and zombies too!  
I'm going out and spread the news.

- Did somebody say keep on running?

I thought I would go and get us some help,  
But that turned out to be a crazy concept.  
I ran so hard I ran out of my shoes,  
But it's all good now cause I'm a zombie too.

(Chorus)

It's Halloween they're after you.  
- Witches, ghosts, and zombies too!  
I see a werewolf looking at you.

-Whatcha gonna do?!  
It's Halloween they're after you.  
- Witches, ghosts, and zombies too!  
Oh come on out and spread the news.
