Christian mind control, brainwashing innocent souls,  
Teaching their own twisted fears,  
Baptism is final, confirming denial, of the reality  
We must deal with today,  
No one on this Earth can save us from this hell,  
We're only destroying ourselves,  
Religion gets its way, so God has his say,  
And the Holy propaganda is free ...  
He WHO IS! WHO WAS! and is coming  
He shall put an end to your fear,  
On Earth, THE LIVING! THE DYING!  
Attain the destiny they've awaited for years.  
The death plague wreaks havoc on Earth,  
A life put to death before birth,  
Deserts grow where Cities once thrived,  
No one on this Earth left alive ...  
The Rain that falls from the sky, turning toxic,  
The atmosphere is melting away,  
Disposing of nuclear waste in the sea,  
Children dying of starvation in the streets.  
APOCALYPSE ... REVELATIONS ...  
HUMAN RACE ... ENDANGERED KIND ...  
He WHO IS! WHO WAS! not a savior  
No one can control this disease  
MESSIAH, BEHOLD! THE CHOSEN!  
Welcome to the world of the dead!! ...  
SPECULATION! not needed the answer is here  
ANNIHILATION! Countries put to death by their fears  
CIVILIZED NATION! this is what we create  
TERMINATION! designed to Annihilate  
solo: Gonzales  
We're killing ourselves, there's no need for help  
From satan, of from God, or the bomb,  
The acid pollution, there is no solution  
The greenhouse effect taking place.  
And wars will arise, the beast in disguise  
Necronomicon prophecies apply,  
An once civilized nation, now God's abomination  
Annihilating the entire Human race.  
solo: Garcia  
Hypocritical factions deny, as the truth stares them  
right in the eye,

The powers we once fought to possess, destroy us in the  
final test ...  
THE LORD WHO HAS GIVEN HAS NOW ALSO TAKEN  
AWAY!!!
