Living on borrowed time
Sanctions will never work
Defending the oil fields
In "Operation Desert Shield"
Life seems to reveal a story
Taken from the book of the old
Babylon reincarnates
A million souls praise the false one
The beast will rise from the east
Bringing forth the atrocity.

From the Lord's creation
The abomination
Economic warfare
The revelation

Welcome to Kuwait
Welcome to Kuwait.

Strategic bombardment
Surgical assault
Strategic bombardment
"Operation Desert Storm".

Life seems to reveal a story
Taken from the book of the old
Babylon reincarnates
A million souls praise the false one
The beast will rise from the east
Bringing forth the atrocity.

No peaceful resolution sighted
More soldiers - Tour of Duty
A time to test our weapons
And strenghten our economy
Frm the Lord's creation
The abomination
Economic warfare
The revelation

Welcome to Kuwait
Welcome to Kuwait.
