Will you miss me when I'm gone  
Will you remember all the good times we've had  
The hardest thing about leaving is saying good bye  
You'll always be the greatest of friends  
I'll miss you more then I can say  
And if you need me  
You know that I'll be there for you  
I'll always remember your way  
You'll always be the greatest of friends  
I'll miss you more then I can say  
And when you need me  
I'll be there for you  
I'll always remember your way  
Your something special to me  
Friendship is something that money can't buy  
And if you need me  
You know that I'll be there for you  
You'll always be the greatest of friends  
I'll miss you more than I can say  
And if you need me  
You know that I'll be there for you  
I'll only remember your way  
You'll always be the greatest of friends  
I'll miss you more than I can say  
And if you need me  
I'll be there for you  
I'll always remember your way
