I'm insane about you
Can you give me a hint
About what I should do
To keep you (Baby I love you)
If I ever lost you
I'd go so insane
I wouldn't know what to do
Living a life without you baby
Isn't worth seeing another day
Baby, I'd go crazy
(Insanity would take over)
I'm insane about you
Can you give me a hint
About what I should do
To keep you (Baby I love you)
I made the mistake
Of letting you go
And baby how I feel about you
You'll never know
If love was red then I was color-blind
Oh baby, I love you
(Insanity might be taking over)
I'm insane about you
can you give me a hint
About what I should do
To keep you (Baby I love you)
You don't have to close your eyes
To see the truth
Can't you see that I love you
You mean everything to me
I can be a better girl
With the love you give me, baby
(Insanity is taking over)
I'm insane about you
Can you give me a hint
Anything what I should do
To keep you (Baby I love you)
It'll be my wish tonight
That you'll love me again
Somebody baby
Maybe you'll forgive me
I'm dying without you

Please don't forget me
I'm insane about you
Can you give me a hint
About what I should do
To keep you (Baby I love you)
(Insanity has taken over...)
