I'm through with you and I've had it too
Cuz you pushed me way to far
This time, you're gonnna play my game
So watch out baby cuz
Here comes trouble tonight

T*R*O*U*B*L*E
That's what you get from me
Cuz now, I'm gonna make you wish
You'd never messed with me
So watch out baby cuz
Here comes trouble tonight

Cuz I'm talking to you-yeah to you
This time i'm picking on you-yeah on you
It's the last time, last chance, last warning too
So back off, or i'm gonna blow a fuse

I won't wallow up and shy away
Cuz that's really not my style
You may think you've got one up on me
But you're just in denial
So watch out-there's nothing left to say
Watch out-Get out of my way
Watch out-cuz here comes trouble tonight
