Today I woke up at 9
with so much on my mind
so much to say
there was not enough time
your cute and your swell
and everyone can tell that i fallen head over healsover
you

And they all get tired
when i sit and talk 'bout you
They say that they've heard it all
and your the one i should tell
so i'll write it
and seal it with kiss for you

CHORUS
seal it with a kiss just for you

it's hard to know where to start
so hard to open my heart
not knowing what my words may impart
you're the guy i adore
and just can't ignore
that each day i like you more than the day before
rewrite it and revise it
theres no way to deny it
as bring this letter to a close
with love,xoxo
and i'll sign it
and seal it with a kiss just for you

CHORUS
