Carry my soul on the  
Black wings of your ecstasy  
Lift it up high  
Towards the heavens in blasphemy  
I am what i am  
What i forever will be  
In the name of Jesus Christ  
Bleed for me!

Stigmata

Carry my soul on the  
Black wings of your ecstasy  
The death of an angel  
The sacrifice of purity  
Impaled by faith  
Desecrated is your sanctuary  
In Hoc Signo  
Bleed for me!

Stigmata

Behold the sign in my hand  
I hold the key to the wonderland  
The path is clear I'll lead the way  
Follow me and don't walk astray  
And if you really loves me true  
Can i ask one thing from you  
Show your love for all to see  
Will you bleed for me
