I need to take a breath  
My pulse is dying  
I'm standing on the edge  
The deep is calling  
I want to breathe for more  
Than filling my lungs  
I want to find a cure  
For this frozen heart

Would you bring me back  
Bring me back  
Would you bring me back

You came and made me new  
I feel it slipping  
The heart that beats  
Is slowly stopping  
I want to breathe for more  
Than filling my lungs  
I want to find a cure  
For this frozen heart

Would you bring me back  
Bring me back  
Would you bring me back

Would you bring me back  
Bring me back  
Would you bring me back

Where my heart beats  
Where my soul breathes  
Bring me back  
Bring me back  
Where my heart beats  
Where my soul breathes  
Bring me back  
Bring me back

Would you bring me back  
Bring me back  
Would you bring me back

Would you bring me back  
Bring me back  
Would you bring me back

Would you bring me back  
Would you bring me back  
Would you bring me back  
Would you bring me back
