Hey walking circus behind that tainted smile
You've got so much on your weary mind
Hey sorrow sower, your cursed forget me knots
Are rooted and alive deep inside your sorry guts

Yeah, yeah
Oh, yeah
Hey walking circus behind that tainted smile
You've got so much on your weary mind
Hey sorrow sower, your cursed forget me knots
Are rooted and alive deep inside your sorry guts

Heavy bones the never sink.
Hey! Float up to the top!
We're lowest when we drop

Heavy bones the never sink.
Hey! Float up to the top!
We're lowest when we drop

Yeah, yeah
Oh, oh

Heavy bones the never sink.
Hey! Float up to the top!
We're lowest when we drop

Heavy bones the never sink.
Hey! Float up to the top!
We're lowest when we drop

Come to the river
Come to the river
Come to the river
My friend

Come to the river
Come to the river
Come to the river
My friend

Yeah, yeah

(One, two, three, yeah)

Come to the river
Come to the river
Come to the river
My friend

Yeah

Come to the river
Come to the river
Come to the river
My friend

Yeah, yeah
