Oh, Oh
Oh, Oh

I bet you'd pass a lie detector test
With that heart of yours, oh so cold
Colorful lullabies will coat your mess
Hide those eyes of yours, oh so sold
But I know that this isn't you

Cause I see your soul and you're not so
When we are alone
But I love you anyway, I, I love you anyway

You like to brag you got away with it
Oh your lustrous mind, high on pride
Your stubborn soul is drowning in regret
Oh you cunning child! Scandalous smiles
But I know that this isn't you
Yes I know that this isn't you!

Cause I see your soul and you're not so
When we are alone
But I love you anyway, I, I love you anyway

Cause I see your soul and you're not so
When we are alone
But I love you anyway, I, I love you anyway

Oh, oh
(I love you anyway)
Oh, oh
Oh, oh
Oh, oh

Cause I see your soul and you're not so
When we are alone
But I love you anyway, I, I love you anyway

Yes, I see your soul and you're not so
When we are alone
But I love you anyway, I, I love you anyway

Anyway
