Rattle in head
As deep as could be
Sences are dead
A thousand ways for a nerv to split
Gun in mouth
Path that many nowdays chose
No use for life
Which they anyway gona lose

Stolen,stare, mind's far away from you
You dwell elsewhere while your body sits in this room

Empty shells,lives are veiled
Empty shells,leftout,betrayed

Can't move your arm
It doesn't listens your commands
Your soul hides
Somewhere far behind your eyes
Wish you could talk
And tell the world how do you feel
But that dream
Is much to far and too unreal

Stolen,stare, mind's far away from you
You dwell elsewhere while your body sits in this room

Empty shells,lives are veiled
Empty shells,leftout,betrayed

The taste of blood is getting stronger in my mouth
This shit is something i can live whitout
