Something is wrong shutting my mouth  
My face is blistered of anger  
Delusion's wrong but man so what?  
My mind is so much stronger

Confess before  
The common man revail your unforgiving shame  
You're teaching lies to innocent take  
But their resistance makes your pressure break

I see the galows pole  
Bulit for my neck  
Oh what honor  
What a respect

Confess before  
The common man revail your unforgiving shame  
You're teaching lies to innocent take  
But their resistance makes your pressure break
