Who revives the human cries
Evil thongues are teling lies
Who's poisoning this domain
Ashornig that the pain remains

Healing process is denied
'Couse in chaos they can hide
In dark corners they will dwell
Holding on our bare lives
Tears drop from my bloodshout eyes
Tell mi mirror what you see
Will we ever be free

Agony,the childhood ends
In this war infected lands
There's no hope for us to be
We are chained to eternety

Healing process is denied
'Couse in chaos they can hide
In dark corners they will dwell
Holding on our bare lives
Tears drop from my bloodshout eyes
Tell mi mirror what you see
Will we ever be free

Mirror,mirror on the wall
Are we realy born to crawl
Tell me mirror who to blame
For creating wicked game

And what more i should expect
From the ones whitout respect
Tired brains and painfull eyes
Desperation ocean size

Holding on....
Holding on our bare lives
Tears drop from my bloodshout eyes
Tell mi mirror what you see
Will we ever be free

Healing process is denied
'Couse in chaos they can hide
In dark corners they will dwell
Holding on our bare lives
Tears drop from my bloodshot eyes
Tell mi mirror what you see
Will we ever be free
