Well, your heart is an open book when you subscribe to the daily blues.

Your love somebody mistook for something to lose.

On your finger a paper cut from a page of a letter you read.

It said, "Dear John' I'm nothing but gone. Don't take it bad."

Refrain:

And it's all I can do. It's all I can do to forget about you.

Straight out of the blue. Now it's all I can do to forget, forget about

You.

Now your head's at a fever pitch and you knew it was a matter of time

Until that day which found you last in line.

But it's not here that I belong, so it's back in search of head over heels.

Well, some one dropped a bomb right under my wheels.

3x Refrain:

Now it's all I can do. It's all I can do to forget about you.

Straight out of the blue. Now it's all I can do to forget, forget about

You.
